## Rope ladder to the moon

You asked me to a party To a house just by the moon You gave me silver loving The end was all too soon

You asked me to the theater In a place quite near the sun You gave me golden sunbeams Your act was all in fun

Rope ladder, rope ladder Rope ladder to the moon!

You asked me to a meeting In a cottage in the snow You gave me central heating I can't forget the glow

You asked me to a weekend Down by the stormy sea You took me to a ceremony And the sacrifice was me!

You asked me to a storm cloud Up near the rainbow's end Then you threw away the ladder And gave me to your friend

You took me to a prison And you said its chief was me Then you locked me deep inside you And thew away the key

Rope ladder, rope ladder Rope ladder to the moon! Jack Bruce
