Shajano mritoder rastay chita shajiye jaai ami
Shukno neel akasher theke brishti cheye jai ami
Shajano mritoder rastay chita shajiye jaai ami
Shukno neel akasher theke brishti cheye jai ami
Ekbar takiye dekh dariye achi ami
Ekbar deke toh dekh ashi ki na ashi ami
Meghla akasher laal brishti te jwole jai ami
Ek mutho prithibi amar; shei prithibi jure tumi
Ekbar takiye dekh dariye achi ami
Ekbar deke toh dekh ashi ki na ashi ami
Bujheo bujhini hoyto moner kotha
Aaj hothath mone porlo tomor kotha
Dur durante jaahaj bhashe geche
Lukiye rekhechi smriti moner majhe
Utheche jhor aaj abar, kede utheche morubhumi
Shukno e prithibi amar; ei prithibir jol tumi
Ekbar takiye dekh dariye achi ami
Ekbar deke toh dekh ashi ki na ashi ami
