

# Room Of Light

Jack Frost

gates are closing  
I can't believe  
in my very inside  
I feel relief

time to face  
the endless night  
I am leaving  
the room of light

[Chorus:]  
the coming of my  
judgement day  
I am nothing  
I have to pay

for a long time  
I've been aware  
of walking towards a dead end  
and now I'm there
