All I Have To Offer You Is Me

Jack Greene

Before you take another step There's something you should know About the years ahead and how they'll be

You'll be living in a world Where roses hardly ever grow 'Cause all I have to offer you is me

There'll be no mansion waiting On the hill with crystal chandeliers And there'll be no fancy clothes for you to wear

Everything I have is standing here In front of you to see All I have to offer you is me

Sweetheart, I'll give you all my love In every way I can But make sure that's what you want While you're still free

The only gold I have for you is in this wedding band 'Cause all I have to offer you is me There'll be no mansion All I have to offer you is me
