

# Almost Persuaded

Jack Greene

Last night all alone in a barroom I met a girl with a drink in  
her hand  
She had ruby red lips coal black hair and eyes that would tempt  
any man  
Then she came and sat down at my table and as she placed her so  
ft hands in mine  
I found myself wanting to kiss her for temptation was flowing l  
ike wine

And I was almost persuaded to strip myself of my pride  
Almost persuaded to push my conscience aside  
Then we danced and she whispered I need you  
Take me away from here and be my man

Then I looked into her eyes and I saw it the reflection of my w  
edding band  
And I was almost persuaded to let strange lips lead me on  
Almost persuaded but your sweet love made me stop and go home
