

Almost Persuaded

Jack Greene

Last night all alone in a barroom I met a girl with a drink in
her hand
She had ruby red lips coal black hair and eyes that would tempt
any man
Then she came and sat down at my table and as she placed her so
ft hands in mine
I found myself wanting to kiss her for temptation was flowing l
ike wine

And I was almost persuaded to strip myself of my pride
Almost persuaded to push my conscience aside
Then we danced and she whispered I need you
Take me away from here and be my man

Then I looked into her eyes and I saw it the reflection of my w
edding band
And I was almost persuaded to let strange lips lead me on
Almost persuaded but your sweet love made me stop and go home
