

Cincinnati Ohio

Jack Greene

One more hour and I'll be home I close my eyes and rest my bones
Can't be more than a mile or so from Cincinnati Ohio, Cincinnati Ohio
Cincinnati where the river winds cross the Mason and the Dixie Line
Heaven waits for me I know in Cincinnati Ohio, Cincinnati Ohio
I guess perhaps the memories got too strong
Grabbed me by my heart strings and pulled me home
I got to thinkin' bout some friends I know in Cincinnati Ohio,
Cincinnati Ohio
Cincinnati where the river winds...

I walked half way from Lewieville there she lies at the foot of the hill
Shining like a jewel in the valley below Cincinnati Ohio, Cincinnati Ohio
Cincinnati where the river winds...
Cincinnati Ohio, Cincinnati Ohio Cincinnati Ohio, Cincinnati Ohio
