

## I'll Love You More

Jack Greene

I'll love you more than you need should you need it  
I'll help you up should you fall along the way  
I'll love you more than you need should you need it  
Too much love never gets in the way

I'll love you and want to spend my whole life with you  
And I reveal your love for me is complete  
But if along the way you should stumble I've got a plan to get  
you back on your feet  
I'll love you more than you need...
