

# I Love You Because

Jack Greene

I love you because you understand dear every single thing I try  
to do  
You're always there to lend a helping hand dear  
But most of all I love you cause you're you  
No matter what the world may say about me

I know your love will always see me through  
And I love you for the way you never doubt me  
But most of all I love you cause you're you

I love you because my heart is lighter every time I'm walking b  
y your side  
I love you because my future's brighter the door to happiness y  
ou've opened wide  
No matter what may be the style or seasons I know your love wil  
l always be true

And I love you for a hundred thousand reasons  
But most of all I love you cause you're you
