

I Love You Because

Jack Greene

I love you because you understand dear every single thing I try
to do
You're always there to lend a helping hand dear
But most of all I love you cause you're you
No matter what the world may say about me

I know your love will always see me through
And I love you for the way you never doubt me
But most of all I love you cause you're you

I love you because my heart is lighter every time I'm walking b
y your side
I love you because my future's brighter the door to happiness y
ou've opened wide
No matter what may be the style or seasons I know your love wil
l always be true

And I love you for a hundred thousand reasons
But most of all I love you cause you're you
