

I'm Still Not Over You

Jack Greene

I'm still not over you, that feeling's still the same
I'm still not over you, I find that nothing's changed
And perhaps some day, I'll find somebody new
But now it's much too soon, I'm still not over you

Today, I made a point to go somewhere I knew you'd be
I had to know if you still had the same affect on me
And the moment that I saw you there, I knew
No matter what I do, I'm still not over you
I'm still not over you
