

## I'm Still Not Over You

Jack Greene

I'm still not over you, that feeling's still the same  
I'm still not over you, I find that nothing's changed  
And perhaps some day, I'll find somebody new  
But now it's much too soon, I'm still not over you

Today, I made a point to go somewhere I knew you'd be  
I had to know if you still had the same affect on me  
And the moment that I saw you there, I knew  
No matter what I do, I'm still not over you  
I'm still not over you
