

I Wanna Be Free

Jack Greene

Well I look out the window and what do I see
The breeze is a blowin' the leaves from the trees everything is
free everything but me
I'm gonna take this chain from around my finger
And throw it just as far as I can slinger cause I want to be fr
ee

When my baby left me everything died
But a little bluebird was singin' just outside singin' twidle-
de-dee fly away with me
Well you know I think I'm a gonna live gotta lotta love left in
me to give
So I want to be free

I released my heart my soul and my mind and I'm a feelin' fine
I broke the chain the ring of gold before it broke my mind
Well look who's a cryin' and it sure ain't me
But I can't hardly hear and I can't have see oh I want to be fr
ee
I release my heart...
