

If It Ain't Love (let's Leave It Alone)

Jack Greene

If it ain't love then let's don't even let it start
Let's leave it alone
If it ain't love then let's don't temp our foolish hearts
Let's leave it alone

Happiness is free just like a rolling stone
And only love can make it stay at home
Feelings have a way of mixin' right with wrong
If it ain't love, let's leave it alone
If it ain't love

Togetherness can fade like the music of a song
It comes and goes like the breaking of the dawn
How could we hang on to something that was gone?
If it ain't love, let's leave it alone

If it ain't love, if it ain't love
Leave it alone, leave it alone
