## Just Someone I Used To Know

**Jack Greene** 

There's a picture that I carry one We made some time ago When they ask who's in the picture with me I say, just someone I used to know

Just someone I used to spend some time with Just a flame that's lost its glow But I don't tell them of the nights I cried without you I say just someone I used to know

Just someone I used to run around with Just a friend from long ago I don't tell them how lost I am without you I say just someone I used to know I say just someone I used to know
