## Leavin' And Sayin' Goodbye

## **Jack Greene**

So many times I told you I was leavin'
And so many times how I tried
'Cause sayin' you're leavin's so much easier
Than leavin' and sayin' goodbye

'Cause every time I'd start to go
I wouldn't get ten feet
Till I'd go runnin' back like a runaway child
Who's afraid to cross the street

My mind might tell my lips to say it's over But my heart would only know it's a lie 'Cause sayin' you're leavin's so much easier Than leavin' and sayin' goodbye

'Cause every time I'd start to go
I wouldn't get ten feet
Till I'd go runnin' back like a runaway child
Who's afraid to cross the street

My mind might tell my lips to say it's over But my heart would only know it's a lie 'Cause sayin' you're leavin's so much easier Than leavin' and sayin' goodbye Than leavin' and sayin' goodbye
