

She's Gone Gone Gone

Jack Greene

She said if I ever deceived her
She'd be gone before I could count ten
But I guess that I didn't believe her
'Cause look at the trouble I'm in

She's gone, gone, gone, gone, gone, gone
Cryin' won't bring her back
The more that I cry, the faster than train
Flies further on down the track

I've lost every right to be happy
When I lost the heaven I found
She warned me she'd leave and she left me
Before my first tear hit the ground

She's gone, gone, gone, gone, gone, gone
Cryin' won't bring her back
The more that I cry, the faster than train
Flies further on down the track

If I only knew where to find her
I'd crawl to her on my hands and knees
Each tick of the clock, so remind her
She's one second farther from me

She's gone, gone, gone, gone, gone, gone
Cryin' won't bring her back
The more that I cry, the faster than train
Flies further on down the track
