Try A Little Kindness

Jack Greene

If you see your brother standin' by the road
With a heavy load from the seeds he sowed
And if you see your sister fallin' by the way
Just stop and say you're goin' the wrong way

You've got to try a little kindness yes show a little kindness
Shine your light for everyone to see
And if you'll try a little kindness then you'll overlook the bl
indness
Of the narrow minded people on the narrow minded streets

Don't walk around the down and out lend a helping hand instead
of doubt
And the kindness that you show every day will help someone alon
g their way
You've got to try a little kindness...

You've got to try a little kindness...
