

Wichita Lineman

Jack Greene

I am a line man for the county
And I drive the main road
Searching in the sun for another overload

I hear you singing in the wires
I can hear you through the whine
And the Wichita line man is still on the line

I know I need a small vacation
But it don't look like rain
And if it snows that stretch down south
Won't ever stand the strain

And I need you more than want you
And I want you for all time
And the Wichita line man is still on the line

And I need you more than want you
And I want you for all time
And the Wichita line man is still on the line
