

## Wish I Didn't Have To Miss You

Jack Greene

Monday morning and I'd best be on my way  
Got a feelin' it will be a busy day  
Doing something I'm not looking forward to  
Wish, I didn't have to miss you

Broke the clock because I wound it up too tight  
Lucky me I didn't sleep a wink last night  
Doing something I'm not looking forward to  
Wish, I didn't have to miss you

Wonder who's glass is that I'm seeing through  
Because I'm seeing everything with you, everything with you

Now it's Sunday and I must go for a hike  
'Cause when it's Sunday it'll be Sunday day and night  
Red is red and black is black and blue is blue  
I wish I didn't have to miss you

Wonder who's glass is that I'm seeing through  
Because I'm seeing everything with you, everything with you

Now it's Sunday and I must go for a hike  
Or when it's Sunday it'll be Sunday day and night  
Red is red and black is black and blue is blue  
I wish I didn't have to miss you  
I wish I didn't have to miss you
