

All I Can Do

Jack Ingram

I always believed and followed
Trusted in things, relied on faith
Faith let me down in hollow
Now, I have found another way

All I can do is what you want me to do, but I don't
And all I can say is what you want me to say, but I won't
All I can prove to you is I got nothing left to prove to you
Truth is that anything for you is all I can do

Everything is an empty promise
All that you say are lies to me
Silver and gold, shiny polish
It ain't worth anything if it ain't what you need

All I can do is what you want me to do, but I don't
All I can say is what you want me to say, but I won't
All I can prove to you is I got nothing left to prove to you
But at the end of every day, blinded by the truth
Anything for you is all I can do

It's all I can do
It's all I can do
It's all I can do

All I can prove to you is I got nothing left to prove to you
But at the end of every day, blinded by the truth
Anything for you is all I can do

It's all I can do
It's all I can do
It's all I can do
