

# Don't You Remember

Jack Ingram

Don't you remember who I used to be?  
I'm the one you said you'd always need  
Have you forgotten the love you promised me?  
Don't you remember who I used to be?

There was a time when everything was easy  
I didn't have to try and you gave you all your love  
But he's turned you 'round now and you no longer need me  
Hard as I try now I just can't do enough

Don't you remember who I used to be?  
I'm the one you said you'd always need  
Have you forgotten the love you promised me?  
Don't you remember who I used to be?

I'm not the same man I was when you left me  
There's been some changes in my life without you  
I'd love to say things are going great now  
The truth is I wonder what I'll ever do

Don't you remember who I used to be?  
I'm the one you said you'd always need  
Have you forgotten the love you promised me?  
Don't you remember who I used to be?  
Have you forgotten the love you promised me?  
Don't you remember who I used to be?
