

Goodnight Moon

Jack Ingram

Goodnight moon
goodnight stars
goodnight old
broke down cars

I'm going away
I'm leaving soon
goodnight darlin'
goodnight moon

I don't know where I'll be
And I don't know if I'll see
Out the window of my room
Shining down
Goodnight moon

Thank you I'm gonna miss you
When the night comes round
That's when I long to kiss you
When the moon shining on the ground

Goodnight moon, goodnight stars
Goodnight old broke down cars
I'm going away, I'm leaving soon
Goodnight darlin'
Goodnight moon
