

I Would

Jack Ingram

If I close my eyes a while
Maybe I'd see through
Yeah, I'd see through the miles
That won't keep me from you

And an arms length away
Is to far of a place
Yeah, maybe what you need
Be my saving grace

And I would if I could
And I want you to know
If you ask I would give
You better believe I would

Yeah, well they say nothing lasts
And I don't believe that's true
And I would do my best
Just make this good for you

And I would if I could
And I want you to know
If you ask I would give
You better believe I would

I bet you'd be amazed
If I shut my mouth
And just listened to you say
That you're letting me stick around

And I would if I could
And I want you to know
If you ask I would give
You better believe I would

Yeah, I would if I could
And I want you to know
If you ask I would give
You better believe I would

Yeah, you better believe I would
Yeah, you better believe I would
