

# Only Daddy That'll Walk The Line

Jack Ingram

Everybody knows you've been steppin' on my toes  
And I'm gettin' pretty tired of it you keep a steppin' out of line  
And you're messin' with my mind if you had any sense you'd quit

'Cause ever since you were a little bitty teeny girl  
You said I was the only man in this whole world  
Now you better do some thinkin' then you'll find  
You got the only daddy that'll walk the line

I keep a workin' every day all you want to is play  
I'm tired of stayin' out all night  
I'm comin' unglued from your funny little moods  
Now honey baby that ain't right

'Cause ever since you were a little bitty teeny girl  
You said I was the only man in this whole world  
Now you better do some thinkin' then you'll find  
You got the only daddy that'll walk the line

You keep a packin' up my clothes nearly everybody knows  
That you're still just a puttin' me on  
But when I start a walkin' gonna hear you start a squawkin'  
And beggin' me to come back home

'Cause ever since you were a little bitty teeny girl  
You said I was the only man in this whole world  
Now you better do some thinkin' then you'll find  
You got the only daddy that'll walk the line  
You got the only daddy that'll walk the line
