

# Angel

Jack Johnson

I've got an angel  
She doesn't wear any wings  
She wears a heart that can melt my own  
She wears a smile that can make me wanna sing  
She gives me presents  
With her presence alone  
She gives me everything I could wish for  
She gives me kisses on the lips just for coming home

She could make angels  
I've seen it with my own eyes  
You gotta be careful when you've got good love  
Cause the angels will just keep on multiplying

But you're so busy changing the world  
Just one smile can change all of mine  
We share the same soul  
Oh oh oh oh oh ohhh  
We Share the same soul  
Oh oh oh oh oh ohhh  
We Share the same soul  
Oh oh oh oh oh ohhh  
Oh oh oh oh oh ohhh  
Umm umm umm uhhhhhmm
