

At or With Me

Jack Johnson

Are they laughing at or with me?
Aww, baby, those are such great shoes
I think that I'm so happy now
And I think this is a bitter you
Oh, oh, oh, oh, oh, oh, oh, oooh
Are they laughing at or with me?
Oh, oh, oh, oh, oh, oh, oh, oooh
Why can't we just say what we mean?

People are just trying to fit in
But is this something telling you?
You can't just anyone in this town
Aww, baby, those are such great shoes
Oh, oh, oh, oh, oh, oh, oh, oooh
Are they laughing at or with me?
Oh, oh, oh, oh, oh, oh, oh, oooh
Why can't we just say what we mean?

Don't put your money where your mouth is, baby
We don't wanna see you choke
Nobody's choking around here anymore
Nobody's broken any high score
No dancing shoes will touch this dusty floors
For such a long, long time
For such a long, long time
For such a long time

Oh, oh, oh, oh, oh, oh, oh, oooh
Are they laughing at or with me?
Oh, oh, oh, oh, oh, oh, oh, oooh
Why can't we just say what we mean?

Ooh, ooh, ooh, oooooh
Ooh, ooh, ooh, ooh (4x)
