from doing what your supposed to

Really dont mind the practice
cause your my little lady

Cant you see cant you see
rain all day
and I dont mind.

But the telephone singing ringing its too early don't pick it up
we don't need to

we got everything we need right here and everything we need is enough
just so easy
when the whole world fits inside of your arms
don't really need to pay attention to the alarm
wake up slow,mmm mmm wake up slow
