

# Cocoon

Jack Johnson

Well based on your smile  
I'm betting all of this  
Might be over soon  
But your bound to win  
Cause if I'm betting against you  
I think I'd rather lose  
But this is all that I have

So please  
Take what's left of this heart and use  
Please use only what you really need  
You know I only have so little  
So please  
Mend your broken heart and leave

I know it's not your style  
I can tell by the way that you move  
It's real, real soon  
But I'm on your side  
And I don't want to be your regret  
I'd rather be your cocoon  
But this is all that you have

So please  
Let me take what's left of your heart and I will use  
I swear I'll use only what I need  
I know you only have so little  
So please  
Let me mend my broken heart and

You said this was all you had  
And it's all I need  
But blah blah blah  
Because it fell apart and  
I guess it's all you knew  
And all I have  
But now we have  
Only confused hearts and  
I guess all we have  
Is really all we need

So please  
Let's take these broken hearts and use  
Let's use only what we really need  
You know we only have so little  
So please  
Take these broken hearts and leave
