

Do You Remember

Jack Johnson

Do you remember when we first met?
I sure do.
It was some time in early September
You were lazy about it,
you made me wait around
I was so crazy about you I didn't mind

I was late for class, I locked my bike to yours
It wasn't hard to find - you painted flowers on it
I guess that I was afraid that if you rolled away
You might not roll back my direction real soon.

I was crazy about you then and now
The craziest thing of all,
Over ten years have gone by
And you're still mine,
We're locked in time
Let's rewind

Do you remember When we first moved in together?
The piano took up the living room
You'd play me boogie woogie, I played you love songs
You'd say we're playing house, now you still say we are.

We built our get away up in a tree we found.
We felt so far away but we were still in town.
Now I remember watching that old tree burn down
I took a picture that I don't like to look at.

Well, all these times they come and go
And alone don't seem so long
Over ten years have gone by
We can't rewind,
We're locked in time
But you're still mine

Do you remember?
