

## Go On

Jack Johnson

In my rear view  
I watch you  
Watching the twilight  
Behind the telephone lines  
With nothing to prove  
Or to assume  
Just thinking that your thoughts  
Are different than mine

In my rear view  
I watch you  
And I give you your life,  
But you give me mine

I see you slowly swim away  
As the light is leaving town  
To a place that I can't be  
But There's no apologies

Just go on  
Just go on  
There's still so many things  
I want to to say to you  
But go on  
Just go on  
We're bound by blood that's moving  
From The moment that we start  
From The moment that we start

I see your perfect little eyes  
Watch the shadows of the clouds  
On the surface of the ocean  
Out the window of a plane  
I get nervous when I fly  
I'm used to walking with my feet  
Turbulence is like a sigh  
That I can't help but over think

What is the purpose of my life  
If it doesn't have to do  
With learning to let it go  
Live vicariously through you  
You can do the same  
It's the least you can do  
Because it's a lonely little chain  
If you don't add to it

So go on  
Just go on  
There's still so many things  
I want to say to you  
Just go on  
Just go on  
We're bound by blood and love  
From the moment that we started

Just go on

Just go on  
There's still so many things  
I want to say to you  
Just go on  
Just go on  
We're bound by blood that's moving  
From The moment that we started  
From The moment that we started
