

# Good People

Jack Johnson

You win  
It's your show, now  
So what's it gonna be  
'Cause people  
Will tune in  
How many train wrecks do we need to see?  
Before we lose touch of  
We thought this was low  
It's bad getting worse so

Where'd all the good people go?  
I've been changing channels  
I don't see them on the TV shows  
Where'd all the good people go?  
We got heaps and heaps of what we sow

They got this and that and  
With a rattle a tat  
Testing one two,  
Now what you gonna do?  
Bad news, misused,  
Got too much to lose  
Gimme some truth  
Now whose side are we on?  
Whatever you say  
Turn on the boob tube  
I'm in the mood to obey  
So lead me astray by the way, now

Where'd all the good people go?  
I've been changing channels  
I don't see them on the TV shows  
Where'd all the good people go?  
We got heaps and heaps of what we sow

Sitting round feeling far away  
So far away but I can feel the debris  
Can you feel it?  
You interrupt me from a friendly conversation  
To tell me how great its all gonna be  
You might notice some hesitation  
'Cause it's important to you, it's not important to me  
Way down by the edge of your reasons  
It's beginning to show  
And all I really wanna know is...

Where'd all the good people go?  
I've been changing channels  
I don't see them on the TV shows  
Where'd all the good people go?  
We got heaps and heaps of what we sow

They got this and that  
With a rattle a tat  
Testing one, two  
Now what you gonna do?  
Bad news, misused, give me some truth

You got too much to lose  
Whose side are we on today, anyway?  
OK, whatever you say.  
Wrong and resolute but in the mood to obey  
Station to station desensitizing the nation  
Going, going, gone.
