

# Never Know

Jack Johnson

I hear this old story before  
Where the people keep killing for the metaphors  
Don't leave much up to the imagination,  
So I, wanna give this imagery back  
But I know it just ain't so easy like that  
So, I turn the page and read the story again  
And again and again  
It sure seems the same, with a diff. name  
We're breaking and rebuilding  
And we're growing  
Always guessing

Never knowing  
Shocking but we're nothing  
We're just moments  
We're Clever but we're clueless  
We're just human  
Amusing but confusing  
Were trying but where is this all leading  
Never Know

It all happened so much faster  
Than you could say disaster  
Wanna take a time lapse  
And look at it backwards  
From the last one  
And maybe thats just the answer  
That we're after  
But after all  
We're just a bubble in a boiling pot  
Just one breath in a chain of thought  
The moments just combusting  
Feel certain but we'll never never know  
Just seems the same  
Give it a diff. name  
We're beggin and we're needing  
And we're trying and we're breathing

Never knowing  
Shocking but we're nothing  
We're just moments  
We're Clever but we're clueless  
We're just human  
Amusing but confusing  
Helping, we're building  
And we're growing  
Never Know

Knock knock on the door to door  
Tell ya that the metaphor is better than yours  
And you can either sink or swim  
Things are looking pretty grim  
If you don't believe in what this one feeding  
Its got no feeling  
So I read it again  
And again and again  
Just seems the same

Too many different names  
Our hearts are strong our heads are weak  
We'll always be competing never knowing

Never knowing  
Shocking but we're nothing  
We're just moments  
We're Clever but we're clueless  
We're just human  
Amusing but confusing  
But the truth is  
All we got is questions  
We'll Never Know  
Never Know  
Never Know
