

# Sitting, Waiting, Wishing

Jack Johnson

I was sitting, waiting, wishing, you believed in superstitions  
Then maybe you would see the signs  
But lord know that this world is cruel, and I ain't the lord no I'm just a fool  
Learning loving somebody dont make them love you

CHORUS:

Must I always be waiting, waiting on you?  
Must I always be playing, playing your fool?

I sang your songs, I danced your dance I have your friends all a chance  
Putting up with them wasnt worth never having you  
Maybe youve been through this before But its my first time some please ignore  
The next few lines cause there directed at you

CHORUS:...

BRIDGE:

I keep playing your part	But it's not my scene
Want this plot to twist	I've had enough mystery
You keep building it up	But then keep shooting me down
But I'm already down	Just wait a minute
Just sitting, waiting	
Just wait a minute	
Just sitting, waiting	

Well if I was in your position Id put down all my ammunition  
Id wonder why it had taken me so long  
But lord knows that im not you And if I was I wouldnt be so cruel  
Because waiting on love aint so easy to do

CHORUS:... (2x)
