Sitting, Waiting, Wishing

Jack Johnson

I was sitting, waiting, wishing, you believed in superstitions Then maybe you would see the signs But lord know that this world is cruel, and I ain't the lord no I'm just a f ool Learning loving somebody dont make them love you CHORUS: Must I always be waiting, waiting on you? Must I always be playing, playing your fool? I sang your songs, I danced your dance I have your friends all a chance Putting up with them wasnt worth never having you Maybe youve been through this before But its my first time some please ign ore The next few lines cause there directed at you CHORUS:... BRIDGE: I keep playing your part Want this plot to twist You keep building it up But I`m already down But I`m already down But But it`s not my scene I`ve had enough mystery But then keep shooting me down Just wait a minute Just sitting, waiting Just wait a minute Just sitting, waiting Well if I was in your position Id put down all my ammunition Id wonder why it had taken me so long But lord knows that im not you And if I was I wouldnt be so cruel Because waiting on love aint so easy to do CHORUS:... (2x)
