(INTRO akordy)

(2x)

Who's to say what's impossible
Well they forgot
This world keeps spinning
And with each new day
I can feel a change in everything
And as the surface breaks reflections fade
But in some ways they remain the same
And as my mind begins to spread its wings
There's no stopping curiosity
I wanna turn the whole thing

CHORUS:

Upside down
I'll find the things they say just can't be found
I'll share this love I find with everyone
We'll sing and dance to Mother Nature's songs
I don't want this feeling to go away

Who's to say I can't do everything well I can try
And as I roll along I begin to find
Things aren't always just what they seem
I wanna turn the whole thing

CHORUS:

Upside down
I'll find the things they say just can't be found
I'll share this love I find with everyone
We'll sing and dance to Mother Nature's song
This world keeps spinning and there's

BRIDGE:

No time to waste
Well it all keeps spinning, spinning
Round and round and
Upside down
Who's to say what's impossible and can't be found
I don't want this feeling to go away

Upside down

Who's to say what's impossible and can't be found

I don't want this feeling to go away

Upside down

Who's to say what's impossible and can't be found

I don't want this feeling to go away

Please don't go away

Please don't go away

Please don't go away
