

## A Day In The Life Of A Fool

Jack Jones

A day in the life of a fool  
A sad and a long lonely day  
I walk the avenue and hope I'll run into  
The welcome sight of you coming my way

I stop just across from your door  
But you're never home any more  
So back to my room and there in the gloom  
I cry tears of goodbye  
'Till you come back to me that's the way it will be  
Every day in the life of fool
