All The Things You Are

Jack Jones

Time and again I've longed for adventure Something to make my heart beat the faster What did I long for? I never really knew Finding your love, I've found my adventure Touching your hand, my heart beats the faster All that I want in all of this world is you

You are the promised kiss of springtime
That makes the lonely winter seem long
You are the breathless hush of evening
That trembles on the brink of a lovely song
You are the angel glow that lights a star
The dearest things I know are what you are

Someday my happy arms will hold you And someday I'll know that moment divine When all the things you are, are mine Someday my happy arms will hold you And someday I'll know that moment divine When all the things you are, are mine
