

## Boy Grinder

Jack Off Jill

See yourself through my eyes and you get fucked  
Everybody's simple, they're simply fucked  
See yourself in the mirror, you look the same  
Peel at the sheets and lick the stain  
Put me in the corner, blot me in the powder  
Take me like the poison, then kill yourself  
See yourself in the mirror, you look the same  
Everybody's crazy, but I stay sane  
See yourself through my eyes 'cause you wanna fuck  
The little teenage boy that we wanna fuck  
Put me in the corner, blot me in the powder  
Take me like the poison, then kill yourself  
We all...  
Like it more...  
When we...  
Get raped...  
Can't give it back when you whine about it  
Can't you accept when it is a fuck  
Can't you accept when you wanna fuck  
You can't kill your  
Put me in a corner, blot me in the powder  
Take me like a poison, then kill yourself  
See yourself through my eyes and you get fucked  
Everybody's crazy, they're simply fucked  
See yourself in the mirror, you look the same  
Peel at the sheets and lick the stain  
Put me in the corner, blot me in the powder  
Take me like a poison, then kill yourself  
Strolls on south  
Steal my old clothes  
What he sees is what he knows  
Though he's nervous it never shows  
She welcomes him with open arms  
Steps on his feet and his lucky  
Charms, charms  
You can save what you are  
A pile of extra shit  
Shit
