See yourself through my eyes and you get fucked Everybody's simple, they're simply fucked See yourself in the mirror, you look the same Peel at the sheets and lick the stain Put me in the corner, blot me in the powder Take me like the poison, then kill yourself See yourself in the mirror, you look the same Everybody's crazy, but I stay sane See yourself through my eyes 'cause you wanna fuck The little teenage boy that we wanna fuck Put me in the corner, blot me in the powder Take me like the poison, then kill yourself We all... Like it more... When we... Get raped... Can't give it back when you whine about it Can't you accept when it is a fuck Can't you accept when you wanna fuck You can't kill your Put me in a corner, blot me in the powder Take me like a poison, then kill yourself See yourself through my eyes and you get fucked Everybody's crazy, they're simply fucked See yourself in the mirror, you look the same Peel at the sheets and lick the stain Put me in the corner, blot me in the powder Take me like a poison, then kill yourself Strolls on south Steal my old clothes What he sees is what he knows Though he's nervous it never shows She welcomes him with open arms Steps on his feet and his lucky Charms, charms You can save what you are A pile of extra shit Shit
