

# Fear Of Dying

Jack Off Jill

I'm not afraid of standing still  
I'm just afraid of being bored  
I'm not afraid of speaking my mind  
I'm just afraid of being ignored

I'm not afraid of feeling  
and I'm not afraid of trying  
I'm just afraid of losing  
And I am afraid of dying

Without you yes I do and I hope that you do too  
Without you yes I do  
Without you yes I do and I hope that you do too  
Without you yes I...

I'm not afraid of being sick  
I'm more afraid of being well  
I'm not afraid  
Put the gun in my hand  
I'm just afraid it will hurt like (hurt like) hell

I'm not afraid of screaming  
and I'm not afraid of crying  
I'm just afraid of forgetting  
And I am afraid of dying

Without you yes I do and I hope that you do too  
Without you yes I do  
Without you yes I do and I hope that you do too  
Without you yes I...

Fear of  
Fear of  
Fear of  
Fear of

I'm not afraid of looking ugly  
I couldn't care what they say  
I'm not afraid of happy endings  
I'm just afraid my life won't work that way

I'm not afraid of forgiveness  
I absolve you everything  
I'm not afraid of lying...  
But I am afraid of dying

Without you yes I do and I hope that you do too  
Without you yes I do  
Without you all I do is sit and think about you  
Without you yes I...
