

# Underjoyed

Jack Off Jill

The doctor released me  
a case of underjoyed  
No lack of nutrition  
something I can't avoid

No mental condition  
maybe I'm paranoid  
or maybe

maybe  
I'm just bored  
I'm just damn bored  
I'm just damn bored  
I'm just damn bored

An old friend convinced me  
that he was underjoyed  
He never caused friction  
his ego he destroyed

He made a decision  
He jumped into the void  
or maybe

maybe  
he's just bored  
he's just damn bored  
he's just damn bored  
he's just damn bored

Drown your fears in alcohol  
everybody spills and falls  
Choke on every dream you ever had

Drown yourself in alcohol  
everybody slips and falls  
Choke on every dream you ever had

Keep yourself in 6 degrees  
no one ever comforts me  
why should they bother  
When I'm alone and I'm so damn bored

I am so bored  
I am so bored  
I am so  
NO NO NO NOW  
BORED

I am so bored  
I am so bored  
I'm so damned  
that keeps me underjoyed
