

# The Way I Walk

Jack Scott

The way I walk is just the way I walk  
The way I talk is just the way I talk  
The way I smile is just the way I smile  
Touch me baby, and I'll go home wild!

The way I love is just the way I love  
Come-on and be my little turtle dog  
Touch me baby, it feels so good  
I feel it though I wanna be, I don't know if I should!

Dee-oo-bee-oo-bee  
Doo-bee-doo-bee-doo-waoh!  
Aah! aah! aah!

The way you love me got to sour my stile  
Oh! little baby, I would say good-bye  
Love me baby, love me right  
Love me morning, noon and night
