

Hotel Yorba

Jack White

I was watching with one eye on the other side I had fifteen people telling me to move I got moving on my mind I found shelter
In some thoughts turning wheels around I said 39 times that I love you to the beauty I had found

Well its 1 2 3 4 take the elevator at the hotel yorba I'll be glad to see you later all they got inside is vacancy

I been thinking of a little place down by the lake they got a dirty little road leading up to the house I wonder how long it will take till we're alone sitting on the front porch of that home stomping our feet on the wooden boards never gonna worry about locking the door

well it's 1 2 3 4 grab your umbrella grab hold of me cause I'm your favourite fella all they got inside is vacancy

It might seem silly for me to think childish thoughts like these but i'm so tired of acting tough and i'm gonna to what i please lets get married in a big cathedral by a priest cause if i'm the man that you love the most you could say i do at least

well it's 1 2 3 4 grab your umbrella grab hold of me cause I'm your favourite fella all they got inside is vacancy

and it's 4 5 6 7 grab your umbrella grab hold of me cause I'm your favourite fella all they got inside is vacancy
