

# Inaccessible Mystery

Jack White

I have to admit you know I get  
Just a little bit jealous when I see you  
Doin' what you wanna do  
Yeah I'm sixty-three years old  
You know look at you you're  
Just a baby, you're twenty-two

And I know and I know and I know  
I know and I know and I know  
What I'm gonna do

Yeah, well, you wake up at three in the afternoon  
And you ain't got no mom, no dad, yeah  
And nothing else to do  
Me I'm wakin' up at three AM  
And I'm worryin' about something  
That I know that I can't undo

And I know and I know and I know  
I know and I know and I know  
What I got to do

I have to admit you know I must  
Sound a little bit callous when I ask you to  
Do what I wanna do  
A woman is more powerful than a man  
And this I know  
And I think that you know this too

Yeah, well you know, well you know, well you know  
You know I don't wanna go  
So tell me what to do
