Love Interruption

Jack White

I want love to roll me over slowly stick a knife inside me, and twist it all around.

I want love to grab my fingers gently slam them in a doorway put my face into the ground

I want love to murder my own mother and take her off to somewhere like hell or up above.

I want love to change my friends to enemies, change my friends to enemies and show me how it's all my fault.

I wont let love disrupt, corrupt or interrupt me I wont let love disrupt, corrupt or interrupt me Yeah I wont let love disrupt, corrupt, or interrupt me anymore.

I want love to walk right up and bite me grab ahold of me and fight me leave me dying on the ground.

And I want love to split my mouth wide open and cover up my ears, and never let me hear a sound.

I want love to, forget that you offended me or how you have defended me, when everybody tore me down.

Yeah I want love to change my friends to enemies, change my friends to enemies and show me how it's all my fault.

Yeah I wont let love disrupt, corrupt or interrupt me I wont let love disrupt, corrupt or interrupt me I wont let love disrupt, corrupt, or interrupt me anymore.
