

Love Is Blindness

Jack White

Love is blindness, I don't want to see
Won't you wrap the night around me?
Oh, my heart, love is blindness.

I'm in a parked car, on a crowded street
And I see my love made complete.
The thread is ripping, the knot is slipping
Love is blindness.

Love is clockworks and is cold steel
Fingers too numb to feel.
Squeeze the handle, blow out the candle
Blindness (blindness)

Love is blindness, I don't want to see
Won't you wrap the night around me?
Oh, my love,
Blindness.

A little death without mourning
No call, no warning
Baby, a dangerous idea
That almost makes sense.

Love is drowning in a deep well
All the secrets, and nobody else to tell.
Take the money, why don't you honey?
Blindness.

Love is blindness, I'm so sick, I don't want to see
Won't you just take the night, wrap it all around me?
Oh, my love,
Blindness.

Love is blindness
I'm too numb to feel
Blow out the candles
Blindness
