Take Me with You When You Go

Jack White

Take me with you when you go, girl Take me anywhere you go I've got nothin' here but me, babe Take me with you when you go

I got a feelin' my minds in the sky And I can't catch a breath Or a break like a guy who's stranglin' babe For help, not attention And then, not to mention, the dame that was mine And I thought and I know And that what's goin' on in my eyes And my hands could be robbin' without any knowledge I know that helpin' yourself could be hurtin' or harmin' someon e
