Jack White

How you gonna top yourself When there is nobody else? How you gonna do it by yourself? 'Cause I'm not gonna be here to help you, yeah

Alright, how you gonna top yourself When there is nobody else? How you gonna do it by yourself? 'Cause I'm not gonna be here to help you

How you gonna do it alone When I don't pick up my phone? I'd love to give a dog a bone But I'm not gonna stick around to help you, yeah

Alright, yeah, how you gonna stop yourself When your man stops ringing your bell? You're right between heaven and hell And you're gonna need the good Lord to help you

How am I gonna make you see That this is ain't no way to be? See you've been digging it all for free Guess, you better get yourself a sugar daddy to help you, hey, hey

Top yourself
