

Down To Earth

Jackie Boyz

I never thought it would be easy
Cause we both so distant now
And the walls are closing in on us
And we're wondering how
No one has a solid answer
But just walking in the dark
And she can see the look on our faces
And it tears her apart

So we fight through the hurt
And we cry and cry and cry and cry
Then we live and we learn
And we try and try and try and try

So it's up to you and it's up to me
That we meet in the middle on our way back down to Earth
Down to Earth, Down to Earth
On our way back down to Earth
Back down to Earth, Back down to Earth, Back down to Earth, Back down to Earth,
Back down to Earth, Back down to Earth, Back down to Earth, Back down to Earth

You tell me mommy is always somewhere
Daddy you're never around
So tell how could I ever be normal somehow
You tell me this is for the best
So tell me why you and I are in tears
All I can say is baby
Daddy is right here

So we fight through the hurt
And we cry and cry and cry and cry
Then we live and we learn
And we try and try and try and try

So it's up to you and it's up to me
That we meet in the middle on our way back down to Earth
Down to Earth, Down to Earth
On our way back down to Earth
Back down to Earth, Back down to Earth, Back down to Earth, Back down to Earth,
Back down to Earth, Back down to Earth, Back down to Earth, Back down to Earth

We fell so far away from the way we used to be
Now we're standing and where do we go
When there's no road to get to your heart
Let's start over again

So it's up to you and it's up to me
That we meet in the middle on our way back down to Earth
Down to Earth, Down to Earth
On our way back down to Earth
Back down to Earth, Back down to Earth, Back down to Earth, Back down to Earth,
Back down to Earth, Back down to Earth, Back down to Earth, Back down to Earth

th,

I never thought it would be easy
Cause we both so distant now
And the walls are closing in on us
And we're wondering how
